Principal's Message

Dear Students and Families,

As we approach the conclusion of another successful school year, I would like to extend my heartfelt gratitude to our students, families, staff, and community partners for their unwavering support, encouragement, and dedication throughout the year.

To our exceptional staff, thank you for the care, expertise, and enthusiasm. Your dedication to fostering meaningful learning experiences and supporting student growth continues to make a positive and lasting impact.

To our students, congratulations on all that you have accomplished this year. Your hard work, perseverance, and resilience have contributed to a year filled with learning, growth, and achievement.

As you begin your final June examinations, I encourage you to remain focused, stay organized, and approach each exam with confidence. Trust in the preparation you have done and remember that your efforts throughout the year have prepared you well for this important opportunity to demonstrate your learning.

As we move through the final weeks of June, we also recognize **National Indigenous Peoples Day** on **June 21**. This day provides an opportunity to celebrate and honour the rich cultures, histories, languages, and contributions of First Nations, Inuit, and Métis Peoples across Canada. It is a time for reflection, learning, and appreciation as we continue our commitment to truth, reconciliation, and respect for Indigenous communities.

Once examinations have concluded, students' **report cards for semester 2** will be available on **June 24**.

We ask all families to register or re-register their students for the 2026–2027 academic year if they have not already done so. This is important for planning purposes and will help ensure a smooth start to the school year, including student scheduling and program preparation.

It has been a privilege to serve as Principal of E.W. Pratt High School. I wish all of you continued success, happiness, and good health in the years ahead.

On behalf of the entire staff, thank you for being an important part of our school community. We wish all of our students success on their examinations, and we wish everyone a wonderful, safe, and enjoyable summer.

Respectfully,

Hassan Bouakir (Mr. B)
Principal
